

Many HR Challenges. One Solution.

Who We Are

HR One Consulting is a boutique firm with collective expertise in HR and Project Management.

We have expertise within multiple industries and experience ranging from the shop floor to senior management. We understand your business challenges and speak your language. We serve clients in Canada, the United States and around the world.

At HR One Consulting, you get all your HR needs met from a single, focused consulting firm. We help you:

- Overcome pressing HR challenges quickly and painlessly
- Implement and adopt appropriate practices and processes for your organization
- Lower costs and maximize your HR investment.

We understand multiple HR Challenges and provide a single, integrated-source solution.

How We Help You

From innovations in the use of HR Technologies, Social Media, to Change Management, to building your own HR department, our strong business

acumen means we know how important it is to have a firm grasp on your operations, your project management procedures, and your pipeline, before making recommendations.

As an entrepreneurial-driven firm, we do things a little differently, personally, efficiently.

What are you waiting for?
